

SUMMER SERVICES 2023

The summer holidays are just around the corner. In order for you to be well prepared for all your logistics needs during this period, we would like to share the following information with you.

CENTRAL EUROPE...

NETHERLANDS, BELGIUM, LUXEMBOURG, GERMANY, AUSTRIA, SWITZERLAND AND THE UNITED KINGDOM

From week 31 up to and including week 35, the collection and delivery of goods will be less frequent. In addition, it may take us longer to deliver goods than you are used to.

NORTHERN EUROPE...

DENMARK, NORWAY, SWEDEN AND FINLAND

From week 28 up to and including week 31, the collection and delivery of goods will be less frequent. In addition, it may take us longer to deliver goods than you are used to.

SOUTHERN EUROPE...

FRANCE, ITALY AND SPAIN

From week 31 up to and including week 35, the collection and delivery of goods will only be possible to a very limited extent. In addition, goods may take longer to arrive than you are used to. To ensure that your private deliveries (B2C) reach their final destination before the summer holidays, it is important that Jan Krediet receives your goods no later than week 28. For business deliveries (B2B) this is week 29.

PLEASE INFORM US ABOUT YOUR SUMMER PLANS

We would like to know if and when you and/or your delivery and pick-up addresses will have a summer closing or limited opening hours. In the absence of any notification to the contrary from you, we assume that goods that can be collected can also be delivered to their final destination.

The offices and warehouses of Jan Krediet will be open throughout the summer period and we will be available every day as usual.

YOUR CONTACT PERSON WILL BE HAPPY TO HELP

It goes without saying that we will do our utmost to find a logistical solution for your goods despite the summer period. If you have any questions, you can always get in touch with your contact person at Jan Krediet, he or she will be happy to answer them.
